From the Editor's Desk

Dear Readers,

I am highly elated to have published the 12th edition of 'The Sangai' successfully. In spite of inconveniences and constraints caused by the ongoing pandemic of Covid-19, I gained enormous support from the Officers and staff members in publishing the bulletin on an annual basis unlike the previous biannual editions. I am indeed grateful to them for their invaluable guidance and help.

I do hope that my beloved bibliophiles will enjoy reading the few assorted events conducted in and outside the school though the activities involving the cadets are very scanty. Thanking you.

Regards,

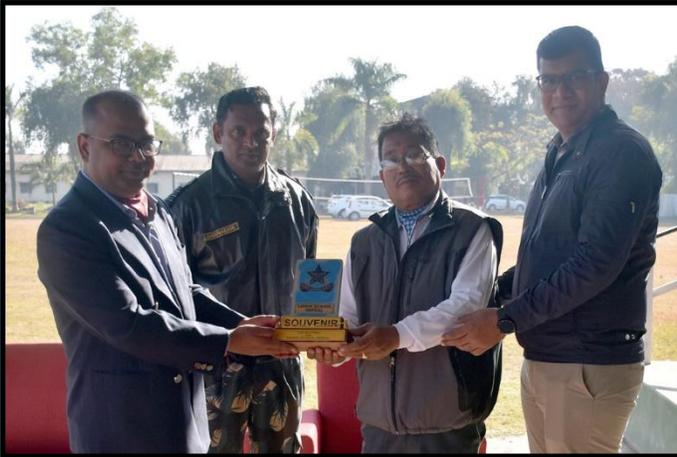

P Rajeshwor Singh
